STRIKE A POSE? Typically, when painting the ceremony, such as the *facing vows* pose, and forward facing *exit scene*, I will do my best to grab a photo for reference at the moment it is happening. If I'm unable to get that perfect shot, I may ask for a pose. This isn't always convenient, so we have another option! Choose 'Strike a Pose', at no extra charge, to insure the best possible photo reference for your painting. We will arrange a time to take the photo at your venue, before or after the ceremony. Choose a scene below, and we will discuss!

COMMISSION IN-STUDIO PAINTING FROM PHOTOS:

Consider photos of your wedding, engagement, family, children, pets, your home or travel! They all make great paintings and gifts. (send me a few photos and let me help you choose the one that will make the best painting!)

Pre-Wedding Questionnaire & Checklist

(1) Canvas Size: Please confirm the canvas size for your live wedding painting. You may upgrade up to 3 days prior to the wedding.

16"x20" 20"x24" 24"x36" Other _____

(2) Painting Scene: Please confirm your wedding scene.

Ceremony: *please check one below*
 Bride/Groom facing eachother Bride/Groom exiting alter (facing forward)
 First Dance First Kiss
 Other (describe) _____

(3) Arrival Time: Please confirm the time of your ceremony. _____ or the time of the first dance _____. I typically paint between 4-6 hours. My arrival time will depend on the painting subject. As a reminder, I rarely complete the painting at the wedding. I complete it in my studio within 3-4 weeks, typically. Times may vary.

(4) Logistics: Please provide me with directions of the venue, including parking instructions. A floorplan is always helpful. If the distance from the parking area to the ceremony/reception is of any significant distance, I may require assistance transporting my gear. Please provide a brief description, an attachment or link.

Will the ceremony be: indoors or outdoors ? Will the reception be: indoors or outdoors ?

(5) Setup Location: This is where a floorplan comes in handy. If the ceremony is outdoors, I typically setup behind the last row of chairs, but circumstances may vary. If I am to move from the ceremony to the reception, it's nice to be located where guest can observe the painting process, but also be near an exit so that I can depart with minimal attention. Ideally, I will require a space at the minimum of 6'x6', located in a space where guest can comfortably view the process. Will the setup location be pre-chosen for me? Yes No .

(6) Reaction Photo: If you would like a reaction photo with the painting, it makes a graceful segway for my departure when the dance floor opens. If you would like this to happen, it's a good idea to mention it to the photographer (and/or the videographer) AND the wedding planner so they can include it in your timeline BEFORE the dance floor opens. Often times, if it isn't planned, it won't happen, and I will exit when the party is dancing. Will the planner and photographer be arranging a reveal photo before I leave? Yes No

(7) Numbers: Please let me know how many:

_____ Bridesmaids _____ Groomsmen _____ Flower Girls _____ Ring Bearer _____ Pets

(8) Dress Code: Please confirm what your dress code is, and if you have any special request for me. Otherwise, I typically dress closely to what one would expect from a guest. Scenarios , culture and venues are different, so I take these things into consideration for my apparel.

(9) Colors and special request: Please provide a few colors from your wedding design theme, and any special request you may have for the painting that we have not discussed.

(10) Meal: Since painting live requires 100% intense focus, I often miss a break, and a meal, If your caterer provides a to-go box, or could prepare a plated meal, I can save time by not standing in a line. Please ask the planner or caterer to let me know how to obtain a meal for a quick break. Cake is always a bonus too! I'm kidding about the cake, I usually leave before it's cut , but it's always a special treat if I get a piece!

(11) Weather: Will you be providing protection from extreme temperatures, Yes No.

If so, please describe: _____
