

Fine Art Commission Guide

Portraits, family and children, paintings from photographs, canvas sizes and starting prices. This guide is for in-studio commissions created from your reference photos. Current live wedding painting prices are included for comparison and clarity.

A commissioned painting is a meaningful way to honor a person, family, child, home, pet, wedding memory, or season of life. Send a few favorite photographs and I can help you choose the image that will translate best into a painting.

Notes: Pricing begins with the sizes listed in this guide. A final quote depends on composition, number of subjects, level of detail, reference quality, timeline, framing, shipping, and any requested changes outside the original scope.

ADDITIONAL NOTES

NEXT STEPS

1. Save this completed PDF. 2. Attach it to an email with your best reference photos. 3. I will follow up personally to discuss the painting, pricing, timeline, deposit, and next steps.

Helpful photo tips: send clear, high-resolution images when possible. A few alternate photos can help me understand likeness, color, expression, and the feeling you want the painting to hold.
